

Equipment Service and Repair Form

Please Note:

- Your equipment **MUST BE CLEANED!**
- Please remove any ink, blood, rubber bands, o-rings, etc. from equipment and/or machines prior to returning.
- Please package your equipment securely upon returning to ensure damage prevention during the transit.
- \$10 Shipping Return Fee with return address **MUST BE INCLUDED** to cover the cost of delivery to you after service has been completed (for U.S. repairs).
- If additional charges apply to service, those charges will be calculated after equipment/machine is received and assessed by repairs department.
- Please allow for ample time to complete assessment and service of your repairs.
- For further assistance, please contact us at 1-877-531-7709
